Valued Customer:

We are pleased to announce CMH now represents Advantix Systems, the industry leader in liquid desiccant dehumidification.

Advantix Systems provides innovative, air conditioning systems to industrial and commercial customers across the globe. For more than twenty years, Advantix Systems has helped customers raise their productivity by optimizing their climate solutions while reducing their energy consumption. One of the pioneers in harnessing liquid desiccant technology for HVAC applications, Advantix Systems is a global leader in humidity and climate control.

Feel free to contact your CMH Representative with any related questions or comments. We look forward to serving you in the near future.

Respectfully,
