**Subject: CMH to Represent Ice Air**

Valued Customer:

We are pleased to announce CMH now represents Ice Air's line of Fan Coil Units, Water Source Heat Pumps and Packaged Terminal Air Conditioners in the South Florida Market.

Ice Air brings 35-plus years of industry expertise to meet the most complex HVAC requirements. Their products can be found in high-rise residences, government offices, hospitals, hotels, office buildings, and schools. Ice Air has developed a wide variety of HVAC units to provide superior new construction heating and cooling systems or to replace old installations. Plus, Ice Air's advanced Green technologies are designed to provide comfort at high efficiency levels, meet environmental standards, and provide a healthy environment for both your projects and our planet.

Feel free to contact your CMH Representative with any related questions or comments. Additional product information is available via our website at [www.cmhsolutionsinc.com](http://www.cmhsolutionsinc.com). We look forward to serving you in the near future.

Respectfully,
